Do you plan to do BIOL-X 490 research for honors in the Biology Department? _______ If
yes, please see a Biology advisor to complete an Honors Agreement Form.

Please provide a summary below of the individual research you plan to complete this
semester and in future semesters.

Student Signature:______________________________________________

Mentor Signature:______________________________________________

Please return this form to the Advising Office, Jordan Hall A115, to receive
permission to register.

* BIOL-X 490 guidelines: 3 hours in lab per week = 1 credit hour earned, for spring or fall semester (16
weeks). Summer session (6 weeks): a minimum of 6 hours per week = 1 credit hour earned. Ultimately,
the number of weekly hours in the lab for number of credit hours earned is at the
discretion of the lab mentor.
